Re: 2017 LWCC Safest 70

Dear Mr. Parvino:

Congratulations! LWCC is pleased to recognize Pro-T Company with the **LWCC Safest 70 Award**. As a loyal LWCC customer, this award acknowledges your leadership in providing your employees with a safe workplace. Policyholders are recognized based on the effectiveness of their safety efforts.

LWCC is deeply committed to workplace safety. We established the Safest 70 award program to show appreciation to our policyholders who share this commitment. Your agency, Dwight W. Andrus Insurance, Inc., and LWCC are proud of your work and will continue to recognize similar efforts in the future.

Since our inception, LWCC has been here to meet the needs of Louisiana. Our mission is to provide competitive workers' compensation insurance to all Louisiana employers; help prevent on-the-job injury and illness; and give injured workers the best opportunity to return to work. With your help, we are able to carry on our mission and help Louisiana thrive.

Our efforts to promote workplace safety and reduce claims costs have resulted in lower rates for all of our customers. The Safest 70 Award recognizes your contribution to those efforts. Not only have you achieved a higher standard for your company, but also you have provided your employees with a culture of workplace safety. Your efforts benefit other policyholders, your industry and the state of Louisiana.

We thank you for your business and pledge to continue working hard to be your workers' compensation carrier of choice.

Sincerely,
